Rockville, MD 20857

Dear Mr. Jaffe,

I support the petition to ban the forced molting of layer hens (docket 98P-0203/CP). Forced molting as a practice should not be allowed. Animals, under our service and protection, should not be abused. They are already being exploited. It takes courage to have compassion. Please join others and me in helping to stop forced molting.

Sincerely,

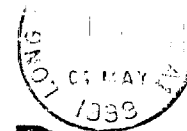

Mike Rivney
